Dear Sara.

Firstly, I would like to thank you for participating in this year's golf day either as a sponsor or a donor of prizes – your contribution is greatly appreciated by The Ridge School.

From its origins in 1919 with just a handful of boys, The Ridge today provides a nurturing and family-like environment for over 500 boys. A Ridge education seeks to establish a balance between achieving academic and sporting excellence and the development of broad cultural awareness.

This year, the funds raised at the golf day will go towards a number of causes: The newly adopted Rhinos; The Ridge Centenary projects and the Parent's Association's designated community outreach schools.

The Ridge School Golf Day is an important event in the fundraising calendar and once again we appreciate your contribution.

Yours sincerely

**RICHARD STANLEY
