Dear Camilla

THANK YOU

The Members and Board of Directors of the EPIC Foundation would like to thank you and all at Bloxx & Co for your generous donation of stunning handbags to be used in our projects. Your commitment to helping this powerful cause is sincerely appreciated.

Please also let everyone at Bloss & Co know that their donation is highly appreciated.

It is the goal of the EPIC Foundation to have the Comfort Pack Project, the Fairy Godmother Project and other initiatives functioning on an ongoing basis in all the regions in South Africa to assist those affected by crime in our country. Through these programs many lives have been touched and a real difference made.

With the help of donations from supporters such as you we are in a position to continue making a difference. If you require more information about our Foundation, please let us know.

We hope for your continued support in the future.

Once again, thank you for your generous donation.

Best wishes
