Dear Sara

Thank you very much for the beautiful Bloss&Co hand bag and toiletry bag you donated for the Johannesburg Garden Club Bridge Drive Raffle last week. They made wonderful prizes and attracted a lot of attention. Everyone wanted to win them, and I have no doubt that they played a big part in making this raffle the most successful one ever. We made R23000.00, which is more than we have ever previously made on a raffle.

We really do appreciate your ongoing generosity to the Johannesburg Garden Club and although we are very proud of having running such a successful event, we realise that it would not be possible without the help and generosity of people such as you. When the final expenses have all been paid I am sure that this Bridge Drive will have made an overall profit of more than R55000.00.

Thank you for going to the trouble of packaging the bags so nicely – presentation is everything – and they looked so good on the prize table!

Kind regards
