Dear Ms Sara-Jane Needham,

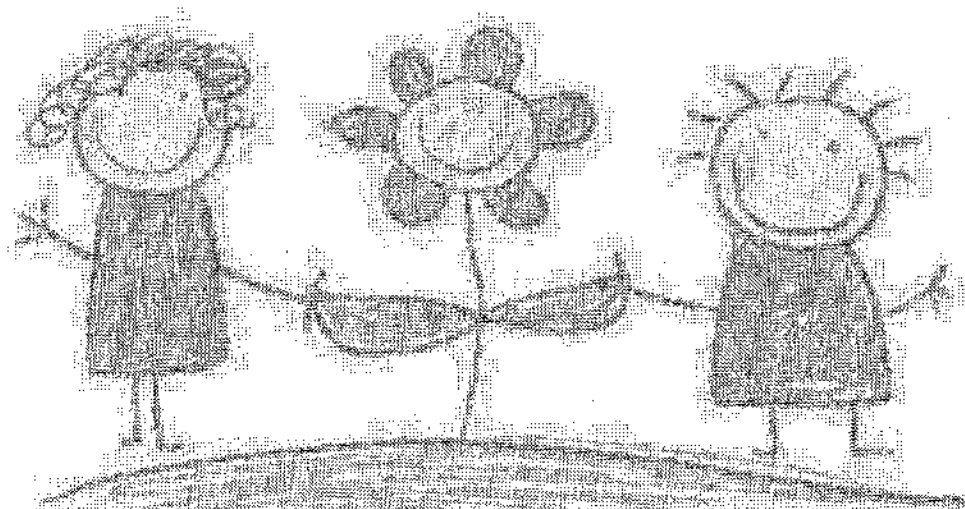

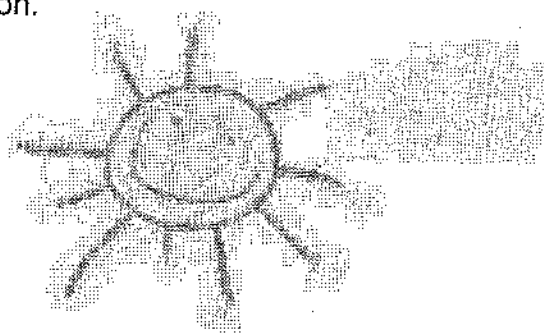

On behalf of Acorn Foundation, I would like to extend a heartfelt thank you for your generous donation of the 2 Bloss and Co Bags. Your contribution, and many like it, is what makes it possible for us to make a real difference in the lives of so many people.

Since its inception in 2011, Acorn Foundation, has grown in leaps and bounds. This is only possible because of people like you. In 2016, we plan to expand our efforts to reach many more people in need by implementing sustainable income drives with key partners within business in South Africa. As you know, the cost of providing food, shelter and education for those in need grows exponentially every year and we hope that you will continue to support Acorn Foundation well into the future.

Once again, thank you for your generous donation.

Sincerely

Rudy Joles
